Docket No. INSC-109.4

REMARKS

Claims 1-45 are pending in the application. Claims 1-45 stand rejected under the judicially created doctrine of obviousness-type double patenting. Applicant previously submitted a terminal disclaimer in response thereto on October 26, 2005, and presently submits an amendment as a Supplemental Response To Office Action. The present response amends claims 41 and 43 and adds new claims 46 and 47, leaving claims 1-47 pending for consideration upon entry thereof. No new matter has been added. Applicant respectfully requests reconsideration in view of the following response and remarks.

In view of the foregoing, it is respectfully submitted that the instant application is in condition for allowance. Accordingly, it is respectfully requested that this application be allowed and a Notice of Allowance issued. If the Examiner believes that a telephone conference with Applicant's attorneys would be advantageous to the disposition of this case, the Examiner is cordially requested to telephone the undersigned.

Authorization is hereby given to charge the \$100.00 fee for extra claims (2 extra claims at \$50 per claim) to Deposit Account No. 50-3569. If any additional fee is required, or otherwise if necessary to cover any deficiency in fees already paid, authorization is hereby given to charge Deposit Account No. 50-3569.

Respectfully submitted,

Date: October 28, 2005
